

STUDENT ACCEPTABLE USE POLICY

USD #410 believes that the use of technology is an integral part of learning. We believe it contributes to the overall value of learning for the individual and group, and as such, expectations are present to maintain the learning environment. The computers, network and technology equipment are provide by USD 410 to support the educational environment. You must use it within the bounds of the following rules. You must acknowledge that the use of district technology is a privilege, not a right.

Student will:

- Use technology in the manner directed by the building teachers and principals.
- Use technology to enhance the learning process.
- Respect technology and report any damage or problem immediately to a staff member.
- Report any accidental access to inappropriate material immediately.
- Respect all copyright, trademark, and license restrictions.
- Cite any reference to Internet sources as you would cite other reference material.

Student will not:

- Share usernames and passwords.
- Expect your email, files or directories to be private.
- Use technology to harass others.
- Intentionally access material through, or with, technology that would not be allowed in your school if presented in other media.
- Intentionally damage, disable, or hinder the performance (or attempt any of the previous) of any district technology system, device, software, or network equipment.
- Use any district technology to damage, disable, or hinder the performance (or attempt any of the previous) of any (inside or outside of the district) computer, device or network.
- Access or attempt to access any system, file, directory, user account, or network to which you have not been granted access.
- Attempt to install any software.
- Use technology in a manner that would hinder the learning environment for you or any other student.

Student will:

- Regularly save any information stored on a personally assigned computer device to your assigned network storage directory.
- Expect your personally assigned computing device to be regularly inspected for inappropriate material, which might include unlicensed software or inappropriate content and software. Any inappropriate content or unlicensed software will be removed.
- Expect your software to be uninstalled and digital files deleted, if necessary, to fix or repair your personally assigned computing device, or its district-supported software.

Student will not:

- Expect the district to save, backup, restore, support or accommodate any software or digital file installed, stored, or saved on your personally assigned computing device, which was not installed by the district.
- Attempt to reinstall software, files, or drivers, which have been removed to correct a problem, or conflict, with your personally assigned computing device or its district-supported software.

Possible Consequences for AUP Violations:

- Suspension from use of district technology.
- Suspension or expulsion from school.
- The district may notify law enforcement agencies.
- Any Consequence outlined in your school policy manual.

Various accounts may be created for educational use. By signing this AUP, parents and legal guardians give permission for their child to use these accounts, and may choose to opt out of any account by submitting a written request to the building principal.
