The Last Day of School!

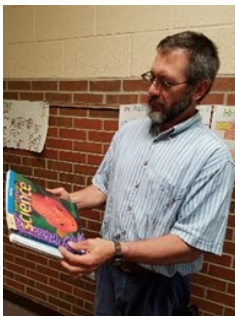

Today marks the last day of the 2016-17 school year. Thanks to all of you who helped make this a successful year for your child. Your support and encouragement creates the foundation of success that all students need to achieve at a high level. Have a wonderful summer vacation!

Report Cards Will Be Mailed

Report cards will be mailed to student's homes during the week of May 29. We encourage parents to get all bills paid as soon as possible.

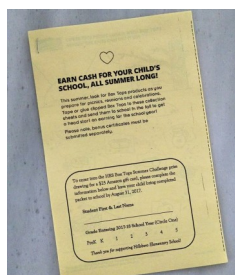

A Good Run

It is with regret that we say goodbye to three staff members as our year comes to a close. Rod Just, Chris Herbel, and Doug Dick will be moving on to new adventures after serving faithfully in their various capacities for many years. We thank them for their dedication and service to children and wish them all the best in the future!

BoxTops Summer Challenge

Please watch out for these yellow packets that should have been in your child's backpack this week. We are doing a BOX TOPS SUMMER CHALLENGE. If they complete the challenge packet by taping or gluing on 30 Box Tops on the collection sheets, they can enter to WIN A \$25 AMAZON GIFT CARD. With your help, we could raise close to \$1,000 for our school this summer! Additional packets will be located at City Hall. Proceeds will go to the HES courtyard renovation project and school supplies. Box Tops and Best Choice programs have raised over \$1,700 this school year! Elementary and preschool students celebrated this last week with fruit punch parties. THANK YOU FOR YOUR CONTINUED SUPPORT!!!

Perfect Attendance

We had one Hillsboro Elementary School student *who did not miss a single day of school this year!*

Khloe Funk achieved Perfect Attendance and earned herself a season pass to the swimming pool and a certificate commemorating this outstanding achievement.

We also had a number of students who missed only a day or part of a day and they were given certificates and prizes also. Congrats to each of these students on this achievement!

"13 Reasons Why" Discussion

Prairie View is hosting an adult discussion event about the new show on Netflix "13 Reasons Why" that deals with a teenager who committed suicide and left tapes behind for those she perceived bullied her. The show is prominent in social media with middle and high school students. We have found that many are watching it, talking about it, and that parents may not be aware of the content of the show. It is very graphic in the show including showing a rape, suicide, sexual behaviors and language. We would like to give an opportunity for parents and other adults working with kids to have ideas on how to respond to the discussions and content of the show. Therapists from Prairie View will be available to answer questions. It will be June 5 from 6:30-7:30pm at First Mennonite Church. Young children are not encouraged to attend. Childcare will not be provided.
