Past Education:

After High School I attended dental assistant school.

My Job:

Here at Hillsboro Elementary, I am the Kitchen Coordinator and Head Cook. I plan menus for the preschool and Elementary, making sure we have everything on hand to make the meals each day.

About Me:

I was raised here in Kansas. I have two brothers and two sisters. I worked for many years as a nurse aide and a home health aide. When we moved to Hillsboro from San Jose California, I began my next career, working at the Elementary School in the food service department. I'm married to Dennis and we have one son, Michael. Michael is married and they have two daughters, Zoe and Alexis. They live in Newton, which is close enough so we can have lots of fun spoiling the two of them.

Favorite Quote/Hobby:

“Use it up, wear it out, make it do or do without.” This saying was used by my parents and grandparents who lived through the tough years of the Depression. The most important thing we had was family. Being in 4-H for many years, I learned to sew and cook, and many other skills. I enjoy crafting and sewing, traveling and reading.
